Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es) / height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8”	4”	For dogs 11 inches and under at the withers
12”	8”	For dogs 14 inches and under at the withers
16”	12”	For dogs 18 inches and under at the withers
20”	16”	For dogs 22 inches and under at the withers
24”	20”	For dogs over 22 inches at the withers
24C”	n/a	Dogs who measure into the 8” through 20” regular jump height divisions may opt to enter the 24-choice height division at their owner’s discretion. Dogs who measure into the 24” regular jump height division may not enter 24-choice.

MEASURING and HEIGHT CARD INFORMATION

Exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. However, if a **Volunteer Measuring Official (VMO**) or an **Agility Field Rep** is present, **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog measured by the Judge of Record if the VMO or Rep is not available to measure the dog ***before*** its first run of the trial or cluster of trials. It is the exhibitor’s responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Simplified Jump Height Card Process

When filling out the entry form, there is a section in the middle of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog’s jump height card with your entry form or show it during day of show check-in.

If either form of entry has not filled at the end of the 48 hour time period, the club reserves the right to decrease or increase either one accordingly.

DOG ELIGIBLE TO ENTER

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Aggressive dogs, including but not limited to dogs that have been disqualified and not reinstated by the AKC, as well as any dog that has been deemed aggressive, dangerous and/or vicious by any governmental entity are not eligible for entry. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registrable breeds that may participate. Puppies under four months of age are strictly prohibited from the trial grounds.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The AKC is committed to creating a safe and respectful sports environment for all. If you need to talk to someone or need help, please call 800.656.HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.
The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Cleveland All-Breed Training Club (CABTC), Cleveland Shetland Sheepdog Club (CSSC) & CAPS Field House will assume no responsibilities for any loss, damage, illness or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The clubs reserve the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the club(s) or any official thereof.
All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed because of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee.
Bitches in season are not permitted to compete in Agility Trials. As such, a refund of the entry fee paid for bitches unable to compete for this reason will be paid.
Injured dogs. A refund of the agility fee less $4.50 per class of the entry fee paid for dogs unable to compete because of an injury upon presentation of a veterinarian certificate. This certificate must be presented to the Trial Secretary prior to the start of judging.
Injured handlers. A refund of one half of the agility entry fee paid for a dog whose handler of record cannot compete because of an injury upon presentation of a medical doctor's certificate. This certificate must be presented to the Trial Secretary prior to the start of judging.
Overpayments of fees of less than $5 will be considered a donation to the club and will not be returned.

RINGSIDE

Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs.
Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

Cleveland All-Breed Training Club & Cleveland Shetland Sheepdog Club
do not agree to arbitrate claims as set forth on the Official AKC Entry Form for this event.

ADDITIONAL SITE INFORMATION

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement. DID YOU KNOW?

. **Food:** A restaurant/snack bar is open inside CAPS – they serve various meals, sandwiches, salads and snacks as well as beverages. There are also nearby fast food and eat in restaurants.

. **Crating:** There is plenty of crating space, but we ask that you consolidate your set-up as much as possible. X-pens should be set up so that they take no more space than the equivalent size that each dog's crate space would have consumed. Place ground covers/mats/tarps under the crates. Exhibitors are responsible for any damage to the turf, so if your dog likes to dig, please use a crate. Crates and personal property can be left overnight. There will be no official security on site.

. Anyone not cleaning up after their dogs ANYWHERE may be asked to leave by the show committee. No excuses.

. **NO bitches in season permitted.**

. NO grooming allowed in the building.

. NO flash photography or light for video cameras permitted.

. REMEMBER -- In order to keep this great site, we must keep it CLEAN at all times - this means both INSIDE and OUTSIDE the building.

. **Vendors** must register with CABTC and shall pay to CABTC a fee of $25.00 (per day) in gift certificates for their goods or services. For vending space contact Pam Bowman at pbonness@yahoo.com or 440-364-6346.

AMERICAN KENNEL CLUB

AGILITY TRIAL MOVE-UP FORM

(Do not send this form to AKC - Give to the Trial Secretary)

USE THIS FORM TO MOVE UP TO A HIGHER AGILITY CLASS ONLY

It is the option of the club to allow day-to-day move-ups. Exhibitors should refer to a club's premium list to verify the club's policy for moving a dog up. If offered, dogs shall be moved up to a higher class at the request of the owner, as a result of the dog qualifying for an agility title.

The request for moving up must be made to the Trial Secretary according to the club's published policy. All move-up entries are subject to availability of the class and payment of any difference in entry fee. Dogs so moved up will be entered at the end of the running order. Refer to Chapter 1, Section 20 of the Regulations for Agility Trials for additional move-up requirements.

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Entering For Exhibition Only (FEO)

• For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes. Participation in FEO is non-qualifying.

• FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

• Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.

• Dogs may be entered at any level (Novice, Open Excellent or Masters) in FAST, JWW, Standard or Premier classes. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

• The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.

• Course time for FEO in Time 2 Beat, JWW, Standard, Premier and ISC will be 45 seconds. FAST course times for each class/height are as noted in the Regulations.

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

INSTRUCTIONS

Handlers may opt to enter in a higher **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by *a* Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners℠** program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____
