AKC SPORTSMANSHIP CODE

The AKC Code of Sportsmanship and Civility aims to promote responsible and respectful behavior at events. The Code emphasizes the importance of creating a positive atmosphere at events. Respect, equity, inclusion, and courtesy are foundational. This applies to everyone in attendance, including exhibitors, judges, officials, volunteers, spectators, and staff.

A renewed emphasis fostering on a respectful environment both online and at in-person events. In order to ensure that dog sports remain welcoming and inclusive, sportsmanship must extend beyond in-person interactions on show grounds. In our modern and connected world, it's just as important to be respectful to your fellow competitors when communicating on digital or social media platforms. The link https://images.akc.org/pdf/AKC_code_of_sportsmanship.pdf goes directly to the full code for those who would like to read it.

CONFLICTS

Handlers with multiple dogs, at events with multiple rings, may walk with a height group other than the one their dog is entered in if a conflict is anticipated. Handlers will not be allowed to move from their stated order in the running order on the day of the trial, exceptions decided only by the trial chairperson or judge of record.

A/C & Cooling at CAPS

Friday through Sunday, ONLY the main entry will be available. We have been working hard on the air conditioning situation and have found a solution that keeps the building cool for our dogs and ourselves. The best way to maintain cooling in such a large space is to minimize multiple doors opening and closing. All other doors will be locked and only used for emergency exit. **DO NOT KEEP ANY DOOR AJAR/OPEN in the building,** while access to the potty areas or loading/unloading of your equipment into the building. All this does is reduce the effectiveness of the A/C System.

WAIT LIST – NONE

MOVE UPS

Dogs may be moved to a higher class at the request of the owner as a result of qualifying for an agility title provided that the request is made in writing/email to the Trial Secretary. Move-up requests must be received no later than 6:00 pm Monday, July 6th
BEFORE moving up, please be sure you have the required 3 legs!

MEASURING OF DOGS

AKC rules now require that if you do not have a temporary card or a permanent measurement on your dog, you must be measured. Please make sure that your confirmation shows whether or not you need to be measured. **You must be measured before you run.** There will be at least 1 VMOs at the trial.

VOLUNTEER WORKERS Needed – Register Online!!

The volunteer schedule can be accessed at the link below, please take time and register early so we don't have to push the day of the trial. It will make things go quicker and easier. You do get vouchers for working. They can be used for any agility or scent trial entries or at the vendors.

https://docs.google.com/spreadsheets/d/1JmBbsp6Kx2eJ3tETgbkhR2SVAsvywoS_q3bHYQnhYMU/edit?usp=s_haring

EXHIBITOR SET UP

Friday set up will be available at 8:00 AM. If you would like to volunteer to help set up rings doors will open at 7:30 am. You can drop your tarp down and set up after the rings are ready.

Saturday and Sunday the building will open at 7:00 AM

It will close on Friday and Saturday nights as soon as everything is set up for the next day's trial.

If your dog is reactive (dogs that lunge, excessively bark or threaten dogs or people who walk by) they should be crated in a minimal traffic area. Please do not crate near the entrance or exits from the crating area or the doors to the outside. We appreciate your cooperation in this area.

Housekeeping Rules - **Protect this beautiful site!**

Do not leave your dog unattended in any of the motel rooms. Please pick up after your dog(s) at the motel, in the park, and in the Fieldhouse – everywhere! **Failure to pick up both at the trial site and at the motel will mean expulsion from the show with no refund.** Use good doggie manners, do not allow your dog to urinate on or in the building, or at the motel.. You are responsible for protecting the turf. Please be sure to put a waterproof barrier, i.e. solid tarp instead of woven mat under your crates and x-pens. If your dog likes to dig, please use crates.

We know accidents happen, but pee and poop in the building are serious infractions. Take your dog outside, use belly bands if there is any doubt about your dog's behavior on the turf. Thanks
